Reference language: english

Camp developer: Aktiviti.

or

Albergue Contreras is a center of rural tourism in Minglanilla, that has, apart from the hostel, wooden cabins, wooden towers kids circuit, gardens, sports areas, swimming pool and an archery field.

We focus on the children's entertainment, making this experience in our camp an unforgettable one. Some of the activities are: paintball, climbing walls, "death slide", treetops, archery, rafting, etc.. all of them adapted to the ages of the children.

or

The activities will be carried out in groups of 12 children, but there will also be integration times between the different ages during free time, thematic days, one day trips, so as to encourage cohabitation.

ONE DAY TRIPS

We will make two trips out that they will surely enjoy a lot. The first one will be to go rafting on the Cabriel river on 5th July. The second one will be a visit to Cuenca (declared Heritage of Humanity), on 12th July.

On 6th July they will have an Olympic Games day, with different teams playing and practicing various sports and disciplines.

PROGRAMMING

Transfers by bus from Home School Internacional to the camp for departure and return on the chosen date.

The activities will take place in english, from the morning till 7 pm. The daily timetable can change according to the corresponding daily theme.

The morning activities are common to all children: adventures, climbing walls, "death slide", archery, paintball, treetops, .. adapted to each range of age.

In the afternoon, the children can choose the activities they want to do: cooking workshops, dance, theatre, mask workshop, radio, television production, press, etc.. The activities are chosen in the morning in order to organize the following afternoons.

In the evenings, large games are organized according to each age. After dinner, the children who own mobile phones will be allowed 30 minutes to get in touch with their families.

The use of the mobile phones will be reduced to that determined time. The rest of the time, the phones will be guarded by the monitors.

To communicate with the children who don't have a phone, the families will have phone lines available in order to call them.

The camp developer, Aktiviti, will create a Whatsapp group with all the families to inform about the camp activities, and share every day pictures of the games and activities.
