# *Additional services*

The Summer School will be programmed and developed by Home School Internacional's teaching team, with our particular educational approach, based on the Positive Discipline's respectful perspective, and the main focus on the children and the respect of their own learning pace.

## **Water Attractions**

Every Tuesday in July, we'll offer water attractions (water slides), adapted to all ages. In different shifts according to similar ages. With all the safety measures and qualified professional staff.

## **Weekly One-day trip**

The children can add a wonderful day trip to their summer school week. Designed especially to enjoy the summer even more. The destinations will be L'Albufera, a farm school, L'Oceanogràfic, an Adventures center...

## **Intensive English Club**

The Primary students can complete their summer school days with a voluntary intensive english club, on an everyday schedule from 2 to 3 pm, in very reduced groups.
