This academic year, we are continuing to reduce the fees for our extracurricular clubs, with the aim of enabling more students to enjoy a broad, varied and high-quality programme of activities. We want every student to find a place where they can learn, grow and have fun after school.

In addition, we are continuing to offer two special discounts for families who enrol their children in more than one activity:

👉 Enrol in 2 clubs and receive a 20% discount on the lower-priced club.
👉 Enrol in 3 clubs and receive a 20% discount on the second lowest-priced club and a 30% discount on the lowest-priced club.

Through these initiatives, we aim to support families, encourage participation in a wider range of activities, and continue providing high-quality educational and recreational experiences.

We encourage you to explore all the clubs on offer this year and take advantage of these special discounts.

Women's Dance

Click here to REGISTER

The Women's Dance Club is an artistic and educational program led by Norma Álvarez, professional dancer, creator of major shows, and founder of the School of Artists and Development (EDAE).

With a recognized career—including her victory in the TV competition Popstars—Norma brings to the club all her experience, talent, and passion for dance.

The main goal of this club is to enhance female expression through movement, offering participants a space to develop confidence, self-esteem, and creativity. Throughout the sessions, students will work on different modern dance styles and energetic choreographies adapted to their levels.

Each class combines technique, rhythm, and expressiveness, while always keeping fun and physical wellbeing at the center. Participants will develop skills such as coordination, flexibility, choreographic memory, and musicality, while discovering a unique form of communication through the body.

The Women's Dance Club with Norma Álvarez is not just an extracurricular activity but an inspiring experience, where students can learn from a leading figure in the artistic world and grow in a motivating and creative environment. A unique opportunity to shine, express themselves, and enjoy dance in all its forms.

Energy, confidence, and art in a space where dance becomes personal expression.

Frequently Asked Questions (FAQ)

- What are the **COURSE DATES**?

From 21 September 2026 to 11 June 2027. First Term: 21 September 2026 – 23 December 2026. Second Term: 7 January 2027 – 12 March 2027. Third Term: 22 March 2027 – 11 June 2027
Please note: Music clubs will run from 1 October 2026 to 11 June 2027.

- What are the **SCHEDULES**?

Schedules vary depending on the type of activity and the routines of each, but all fall within these times: 12–1:00, 1:00–1:45, 4:30–5:30, or 4:45–5:45.

- If a session is **canceled**, is it made up?

Depending on the day(s) on which each club takes place, full-year programmes include between 29 and 33 sessions for activities held once a week, and between 62 and 66 sessions for clubs held twice a week, from September to June.
However, as some sessions may occasionally coincide with school trips, celebrations or other school events, the annual fee has been calculated on the basis of 29 sessions for one-session-per-week clubs and 62 sessions for two-session-per-week clubs. Should the total number of sessions fall below these figures, missed sessions will be made up wherever reasonably practicable.

- What is the **PAYMENT** method?

The annual fee for activities is divided into 3 termly payments, regardless of the number of sessions in each month. If a student does not start the activity in the first month of the term, the proportional part of the annual sessions will be billed.
Payments must be made in advance, termly, on the following dates: Sept 25, Dec 20, and Mar 20. The corresponding full term will be billed (1st term: 4 months, 2nd term: 3 months, 3rd term: 3 months).
For music activities, since they begin in October, the first payment will be due on Oct 15.
If a student starts an activity in the second or third month of a term, the proportional fee for the full course will be charged.

- How and when can a student **WITHDRAW** from an activity?

Withdrawal must be requested exclusively by filling out the official form. To avoid disrupting group organization with frequent changes, withdrawals may only be requested termly (not monthly) and always before the 20th of the previous month.
Therefore, the deadlines for requesting withdrawal are Dec 20 and Mar 20. If withdrawal is not requested by these dates, the following full term will be billed.

- Can a student **TRY** an activity and drop out if they don't like it?

Yes, a student may try an activity for 2 sessions and then decide whether to continue. If they choose not to continue, a fee of €20 applies.
On the one hand, we understand that sometimes students are unsure about joining an activity, and trying it can help them decide. However, frequent changes negatively affect their peers, and the school has a responsibility to limit such situations to essential cases only.

- Who are the **TEACHERS**?

Specialist teachers from the school and external professionals from specialized companies dedicated to specific activities.

- Is any **SPECIAL MATERIAL** required?

Some clubs may require additional specific materials, which will be indicated in the information provided.

- What is the **TEACHING METHODOLOGY**?

The same methodology used in regular school activities. However, since some clubs require external specialists, it should be noted that some facilitators, teachers, extracurricular providers, or sports clubs may have their own style and approach. Home School International seeks to collaborate with professionals who can best adapt to our philosophy, particularly with respect to Positive Discipline and respect for students and their individual learning rhythms.
